

ANNAMALAI UNIVERSITY

The Annamalai University is a unitary, teaching and residential University. It was founded by the munificence of the farsighted and noble hearted philanthropist and patron of letters, the late Hon'ble Dr. Rajah Sir Annamalai Chettiar of Chettinad, Kt, LL.D., D.Litt. He started several colleges and ultimately, the University in 1929. During the last eighty-five years, the University has grown rapidly and has consolidated its position as a unitary and residential University with forty-nine Departments of Study and over 2894 members on its teaching staff. Annamalainagar is already a busy and full-fledged University town, east of Chidambaram, the abode of Lord Nataraja. The University campus, including the colleges, hostels, and playgrounds, occupies an area of about one thousand acres.

The National Assessment and Accreditation Council has accredited Annamalai University at the 'B++' (80 - 85%) level among the universities.

The Governor of Tamil Nadu
His Excellency Dr. K. Rosaiah
is the Chancellor of the University

ABOUT UNIVERSITY

Annamalai University is a unitary residential University formed under “The Annamalai University Act, 1928”. This University is imparting instruction in Post-Graduate and Professional Programmes in several disciplines, besides providing research programmes upto the Ph.D., D.Litt./D.Sc. levels. It was founded by the munificence of the farsighted, noble-hearted philanthropist and patron of letters, the Hon’ble Dr. Rajah Sir Annamalai Chettiar of Chettinad. The University started with only seven departments in 1929 has, over the last 85 years, developed into a mighty institution of higher learning with 49 departments of study. This is one of the very few institutions in India with all the Faculties located in the same campus. The University can boast of a well equipped Central Library and Laboratories, providing very good facilities for taking up research projects, Doctoral, and Post-Doctoral works. Several Research Projects have been undertaken by various faculties, funded by several agencies of the State and Central Governments. A close interaction has been developed between the institution and the neighbouring industries for promotion of research and training programmes.

Thus the University campus enjoys an atmosphere which exudes a fragrance of sweetness, heightened enlightenment. As aptly observed by the Indian Universities Grants Commission headed by Dr. S. Radhakrishnan, “the Annamalai University is eminently fitted to be a genuine centre of learning and culture by virtue of its situation and its beautiful campus.”

All the ten faculties enjoy a reputation across the globe for their distinguished record of effective teaching at the higher level, continuing research and manpower yield.

The University is marching ahead proudly with an unmatched quality of education. This is evident from the reports of Ministry of Science and Technology (“Measures of Performance of Universities in India: An Analysis of the Publication Output in Science and Technology” published by CSIR–National Institute of Science Technology and Development Studies, New Delhi - 2011, p.102) **that ranks Annamalai University in the ninth position within the top ten universities, among 600 and odd universities in India, regarding the overall science publication output.** In respect of Environmental Science, the University is ranked second, in Energy fourth, in Engineering Sciences fifth and eighth in Biological Sciences. In Agricultural Sciences, the faculty is ranked eleventh, among all the Universities in India, and next only to Tamil Nadu Agricultural University and University of Agricultural Sciences, Bangalore in South India.

The Scimago (Scopus) survey for ranking Universities, educational institutions and sponsoring agencies across the world has rated Annamalai University to be 22nd in India, next to DRDO (Defence Research and Development Organisation) and to be 7th among Indian Universities (Scimago Institutions Ranking Scimago Research Group, 2012. Data source: Scopus®. <http://www.scimagoir.com>). The popular journal in India *Careers 360* has ranked Annamalai University to be second among four star rated universities among 26 such universities, and well above four other popular universities of Tamilnadu. This survey has only

10 universities in India ranked above Annamalai University (India's Outstanding Universities, Careers 360 March, 2013. www.carreers360.com, p.16-19).

Numerous infrastructure facilities have been created to cope with the voluminous increase in enrolment of students in various on-campus programmes. New laboratory facilities in terms of space and quality equipment have been provided to cater to the needs of the learners and researchers. Video conferencing, Edusat, campus network with 1750 access point, high tech class rooms are some of new facilities added.

An Internal Quality Assurance Cell has been set up to monitor the quality of academic results. The departments of study conduct national and international seminars, symposia, workshops and conferences to expose teachers of the University to world class in teaching and research. Students Progression Cell has been created to coach students for taking I.A.S. examinations. In keeping with the national policy of public health, the concept of 'No Smoking Zone' has been put into practice. A Student Welfare Cell, for on-campus students, has been set up to promote personality development.

With a view to preparing the students for their profession and, in particular, to impart right attitudes and specific skills, the placement cells are functioning in three different locations, one to cater to the needs of the students in the Faculty of Engineering & Technology, the second to cater to the needs of the students in the Faculty of Agriculture and the third, in the Department of Business Administration, for the students of Arts, Science, Education and Fine Arts. These cells advise students with regard to the choice of careers and higher studies. They help students to undergo in-plant training during semester holidays and also find suitable placement through campus interviews. Seminars and training Programmes on Entrepreneurial Development and Career Guidance are held periodically.

The 1400 bedded teaching hospital with a built-up area of about 4,00,000 sq.ft. provides basic as well as specialised healthcare services to various sections of the community in and around the campus.

Students can opt to attach themselves to any of the extracurricular services like NSS, NCC or YRC so as to develop social awareness, an interest in the community and with a clear ambition to improve their personality. To improve upon the physical fitness of the students, a sports pavilion with many infrastructure facilities has been established.

The University Library named after the eminent scholar statesman and former Vice-Chancellor Dr. Sir C.P. Ramaswami Aiyer, is a key knowledge resource for the students and the staff. The Library is equipped with INTERNET connectivity and CD NETWORK station. Quite a good number of journals can be accessed through the Infonet facility. Science direct is subscribed in which 340 journals can be accessed.

The University has Memorandum of Understanding with many foreign Universities on research collaboration and exchange of students and staff as well.

There are sufficient numbers of hostels for the convenience of the students to pursue their studies on campus. Modern kitchen facilities with safe drinking water are available to ensure the hygiene in the hostel.

PROSPECTUS: 2013 – 2014**MASTER OF PHILOSOPHY – M.Phil.**

Duration: One Academic year with two semesters (full-time) from July to April.

1. FACILITIES EXIST FOR RESEARCH LEADING TO THE AWARD OF M.Phil., DEGREE IN THE FOLLOWING SUBJECTS UNDER CREDIT BASED SEMESTER SYSTEM (CBS)

Arts	: English, History, Political Science, Public Administration, Economics, Development Studies, Sociology, Commerce, Population Studies, Business Administration, Rural Management, Library & Information Science, and Philosophy.
Science	: Mathematics, Statistics, Physics, Chemistry, Botany, Herbal Science, Plant Biology and Plant Biotechnology, Zoology, Microbiology, Environmental Biotechnology, Bioinformatics, Geology, Applied Geology, Geoinformatics, Biochemistry and Biotechnology.
Marine Sciences	: Marine Biotechnology, Marine Microbiology, Marine Food Technology, Marine Biology & Oceanography, Coastal Aquaculture, Ocean Science & Technology.
Indian Languages	: Tamil, Hindi, and Linguistics.
Education	: Education, Life Long Education, Psychology, Physical Education and Yoga.
Fine Arts	: Music

2. ELIGIBILITY CONDITIONS FOR ADMISSION

A pass in Master's Degree in the **respective subject** with a minimum of Second Class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto for all the subjects.

M.Phil. in Economics:

A pass in Master's Degree in Economics, Applied Economics, Mathematical Economics, Econometrics, Business Economics, Environmental Economics, Development Studies, Rural Economics, Rural Development, Women Studies, Gender Studies, Business Studies, Disaster Management, Rural Management, Environmental Management with a minimum of Second class securing at least 55% of aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Commerce:

A pass in Master's Degree (M.Com) in Commerce / Accounting & Finance/ International Banking / Financial Services / Business Studies / Co-operative Management and International Business / M.Com. Five Year Integrated Programme/ M.A. Co-operation / M.A. Corporate Secretaryship / Master of Bank Management /

Master of Business Studies / Master of Financial Services / Master of Financial Management and Master of Financial Control with a minimum of Second class securing at least 55% of aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Sociology:

A pass in Master's Degree in Sociology, Social Work (MSW) with a minimum of Second class securing at least 55% of aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Population Studies:

The candidate should have secured 55% of marks in Population Studies and other disciplinary courses viz. Hospital Administration, Hospital Management, Project Management, Sociology, Economics, Commerce, Management, Psychology, Geography, Statistics, Social Work, Rural Development, Anthropology, Medicine, Nursing, Public Health, Education and Adult Education.

M.Phil. in Rural Management:

A pass in Master's Degree in any field of study with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent there to.

M.Phil. in Philosophy:

A pass in Master's Degree from M.A.(History, Political Science, Sociology), M.S.W.(Master of Social Work) and any other Master's Degree relevant to the field of Philosophy & Religion with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Herbal Science:

A pass in Master's Degree in Herbal Science/Botany/Pharmacy/Agriculture/Chemistry/Biochemistry with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Plant Biology and Plant Biotechnology:

A pass in Master's Degree in Plant Biology and Plant Biotechnology, Botany, Plant Sciences, Biotechnology, Molecular Biology, Microbiology, Biochemistry, Genetics and Pharmacology with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Microbiology:

A pass in Master's Degree in Microbiology/Applied Microbiology/Industrial Microbiology with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Environmental Biotechnology:

A pass in Master's Degree in Environmental Biotechnology with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Bioinformatics:

A pass in Master's Degree in Bioinformatics with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Marine Biotechnology:

A pass in Master's Degree in Marine Biotechnology, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Human Genetics, Applied Genetics, Molecular Biology, Microbiology, Industrial Microbiology, Agriculture Microbiology, Marine Studies & Coastal Resource Management, Applied Microbiology, Oceanography & Coastal Area Studies, Ocean Science & Technology (Integrated) and Pharmacology with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

M.Phil. in Marine Microbiology:

A pass in Master's Degree in Marine Microbiology, Marine Biotechnology, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Microbiology, Industrial Microbiology, Agriculture Microbiology, Marine Studies & Coastal Resource Management, Applied Microbiology, Oceanography & Coastal Area Studies, Ocean Science & Technology (Integrated) with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

M.Phil. in Marine Food Technology:

A pass in Master's Degree in Botany, Zoology, Aquaculture, Biochemistry, Biotechnology, Microbiology, Fishery Science, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Marine Studies & Coastal Resource Management, Applied Microbiology, Oceanography & Coastal Area Studies, Ocean Science & Technology (Integrated) with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

M.Phil. in Marine Biology & Oceanography:

A pass in Master's Degree in Marine Biology & Oceanography, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Human Genetics, Applied Genetics, Molecular Biology, Microbiology, Industrial Microbiology, Agriculture Microbiology, Marine Studies & Coastal Resource Management, Applied Microbiology, Oceanography & Coastal Area Studies, Ocean Science & Technology (Integrated) and Pharmacology with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

M.Phil. in Coastal Aquaculture:

A pass in Master's Degree in Coastal Aquaculture, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology,

Biochemistry, Human Genetics, Applied Genetics, Molecular Biology, Microbiology, Industrial Microbiology, Agriculture Microbiology, Marine Studies & Coastal Resource Management, Applied Microbiology, Oceanography & Coastal Area Studies, Ocean Science & Technology (Integrated) and Pharmacology with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

M.Phil. in Ocean Science & Technology:

A pass in Master's Degree in Ocean Science & Technology, Environmental Sciences, Environmental Engineering with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

M.Phil. in Applied Geology:

A pass in Master's Degree in Geology/ Applied Geology / Marine Geology / Geo-Physics / Geo-Chemistry with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Geoinformatics:

A pass in Master's Degree in Geoinformatics/Geology/Applied Geology/Marine Geology/Geo-Physics/Geo-Chemistry with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Biotechnology:

A pass in Master's Degree in Biotechnology / Biochemistry with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Linguistics:

The candidate with M.A. Degree in any language with a minimum of Second Class securing at least 55% of aggregate marks or in an examination recognised as equivalent thereto can be admitted in the M.Phil. Programme in Linguistics and he/she has to complete the certificate course in Linguistics conducted by the CAS in Linguistics before submitting the M.Phil. Dissertation.

M.Phil in Life Long Education:

The candidate should have secured 55% of marks in M.A. Adult Education or other interdisciplinary programmes viz.

M.A. (Sociology / Economics / Social Works / Education / Work Education / Philosophy / History / Political Science / Rural Development / Anthropology / Population Studies)

M.Sc. (Psychology/ Geology/ Statistics)

M.P.Ed. (Master of Physical Education)

Preference will be given to students who have passed NET examinations.

M.Phil. in Music:

A pass in Master's Degree in M.A. Music / M. Music / M.F.A. Music / Master of Performing Arts in Classical Music with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

M.Phil. in Yoga:

A pass in Master's Degree (M.Sc. or M.A.) in Yoga with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

General

“5% of marks is relaxed (i.e. from 55% to 50%) for SC/ST candidates for admission to M.Phil Programme”.

Eligibility for Teachers:

Teachers of this University who have put in two years of service shall, however, be eligible to register for the M.Phil. (Part-time) degree as per eligibility norms. Such applicants should send completed applications to the Registrar through proper channel.

3. METHOD OF SELECTION

Candidates have to appear for an entrance examination in the respective subjects to be conducted by the respective departments and thereafter an interview. The date, venue, and time of the entrance examination and interview will be notified to the applicants separately as soon as it is fixed.

4. THE APPLICATION SHALL CONTAIN THE FOLLOWING PARTICULARS

- i) Applicant's qualification, attainment, previous study, and research.
- ii) The special subject in which the applicant intends to do research.
- iii) The name of the teacher of this University and his consent to supervise the applicant's research work should be obtained in the prescribed column in the application.

5. SCHEME OF EXAMINATIONS

The one year M.Phil. Programme carries 30 credits and shall be distributed as follows:

Semester	Course	Credit	Internal Assessment Marks	End Semester Exam. Marks	Total Marks
First	Course-I: Research Methodology	6	25	75	100
	Course-II: Area of Specialization	6	25	75	100
Second	Course-III:	6	25	75	100
	Background Paper Dissertation	8	-	-	100
	Viva Voce	4	-	-	100
Total		30			500

COURSE-I : RESEARCH METHODOLOGY (6 CREDITS)

Common to all the students of the Department. The question paper will be set by an External Examiner, and the valuation is done both by the concerned Head of the Department/Section (Engineering & Technology (Applied Chemistry)) and the External Examiner who set the question paper.

COURSE-II : AREA OF SPECIALIZATION (6 CREDITS)

This may be common to all the students of a Department or to the students of a particular area/subject. External examiner will set the question paper and the respective guide and the paper setter will do the valuation.

COURSE-III : BACK GROUND PAPER (6 CREDITS)

This will be on the topic of the dissertation.

There will be a separate question paper for each student. An external examiner will set the question paper and the respective guide and the external examiner who set the question paper will do the valuation.

Examination in Paper I and II will be held at the end of the first semester and the examination for Paper III will be held at the end of the second semester.

For papers I, II, and III each carrying 100 marks, 25 marks shall be allotted for continuous internal assessment based on tests, seminars and assignments and 75 marks shall be allotted for the end semester University examination. The syllabus for each paper will consist of 5 units.

DISSERTATION (8 CREDITS)

After the successful completion of the three theory papers, each candidate is required to submit a dissertation on the topic of his/her research at the end of the year but within a period of two years from the date of commencement of M.Phil. Programme.

VALUATION OF THESIS

For the constitution of the Board of Examiners (Evaluation) the guide will suggest a panel of three external examiners which will be forwarded by the Department concerned.

The M.Phil thesis will be evaluated by one external examiner chosen from the panel given by the guide.

VIVA-VOCE (4 CREDITS)

On receipt of the evaluation report from the external examiner regarding the acceptability of the dissertation, a public viva-voce examination will be conducted by the Head of the Department and the Guide. The Head of the Department will be the Chairman of the M.Phil. Programme. For M.Phil. in Applied Chemistry, the Dean, Faculty of Engineering and Technology, will be the Chairman.

However, the teachers of Annamalai University admitted to Part-time M.Phil. Degree Programme shall take all the courses (Course-I, Course-II, and Course-III) at the end of the first year of the Programme but (and they must complete this) within a period of two years from the date of admission.

Attendance: A student should secure a minimum of 80% of attendance in each semester in the M.Phil. Programme.

Marks and Grading

The M.Phil. Programme shall carry a maximum of 500 marks. The performance of a student in each paper will be evaluated in terms of percentage of marks with a provision for converting it to grade point.

Note: A minimum of 50% of marks in each paper is prescribed for a pass.

A student has to secure 50% minimum in the end semester examinations.

Grading

Rating on a ten point scale is used for the evaluation of the performance of the student to provide letter grade for each course, and Overall Grade Point Average is awarded finally.

Marks	Grade Point	Letter Grade
90 and above	10	S
85 and above but below 89	9.0	D+++
80 and above but below 84	8.5	D++
75 and above but below 79	8.0	D+
70 and above but below 74	7.5	A+++
65 and above but below 69	7.0	A++
60 and above but below 64	6.5	A+
55 and above but below 59	6.0	B
50 and above but below 54	5.5	C
Less than 49	-	F (Fail)

The successful candidates are classified as follows:

First Class with Distinction : OGPA 8.00 and above
(if passed in first appearance)

First Class : OGPA 6.50 and above but below 8.00

Second Class : OGPA below 6.50

6. SUBMISSION OF THESIS

The teachers of the University admitted to the Part-time M.Phil. Programme shall submit their thesis at the end of Second Year but not later than three years from the date of commencement of classes.

Those who have been admitted to the M.Phil. Full-time programme shall submit their thesis at the end of the first year but not later than the second year from the date of commencement of classes.

7. IMPORTANT NOTE

A candidate will not be permitted to appear for the written examination on more than two occasions and will not be permitted to submit a thesis for the degree on more than two occasions.

If a candidate failed in theory papers on more than two occasions, he or she is not entitled to submit his/her dissertation. The candidate has to rejoin the programme as a fresh student.

Original certificates submitted at the time of admission are not returnable till the completion of the Programme. Candidates are advised to have with them sufficient attested copies of the certificates.

ENDOWMENTS

- 1) The Prof. M.O. Mathew Endowment of ACAA Prize for securing First and Second Highest marks in “Research Methodology” – Course-I in First Semester of M.Phil. Commerce Degree Examinations.
- 2) The Dr. Vijayam Sriramulu Prize for securing the First Rank in the M.Phil. Zoology Degree Examinations.
- 3) The T.P. Meenakshisundaranar’s 61st Birthday Prize for securing the highest marks in the M.Phil. Tamil Degree Examinations.
- 4) The Physical Education Alumni Prize in the name of Dr. M. Robson, former Professor of Physical Education for best M.Phil. Dissertation in Physical Education.

8. FEE DETAILS

The details of Fee to be paid by the candidate is given below.

Sl. No.	Faculty / Department / Discipline	Fee Structure (₹)
1.	Arts, Indian Languages & Music	21,100/-
2.	Mathematics	21,500/-
3.	Statistics, Physical Education, Psychology & Education	25,500/-
4.	Physics, Botany, Herbal Science, Zoology, Environmental Biotechnology, Geology, Geoinformatics, & Applied Geology	37,050/-
5.	Microbiology	33,050/-
6.	Chemistry, Biochemistry, Biotechnology, Marine Biology & Oceanography, Marine Microbiology, Marine Biotechnology, Marine Food Technology, Coastal Aquaculture, Ocean Science & Technology, Bioinformatics	47,050/-

IMPORTANT DATES

Date of Issue of application forms with prospectus : **03-07-2013**

Last date for receipt of filled in application forms : **31-07-2013**

Cost of Application Forms with Prospectus : ` 1000/-

The completed application forms should be addressed to **the Registrar, Annamalai University, Annamalainagar – 608 002, Tamil Nadu** by designation and not by name and should reach him on or before the last date noted above.

DOCTOR OF PHILOSOPHY – Ph.D.

Facilities exist for research leading to the award of Ph.D. Programme in the following faculties:

- | | |
|--------------------------|--|
| Arts | : English, History, Political Science, Public Administration, Economics, Sociology, Commerce, Population Studies, Business Administration, Rural Management, Library & Information Science, and Philosophy. |
| Science | : Mathematics, Statistics, Physics, Chemistry, Botany, Herbal Science, Plant Biology and Plant Biotechnology, Zoology, Microbiology, Environmental Biotechnology, Bioinformatics, Geology, Applied Geology, Geoinformatics, Biochemistry and Biotechnology. |
| Marine Sciences | : Marine Biotechnology, Marine Microbiology, Marine Food Technology, Marine Biology & Oceanography, Coastal Aquaculture, Ocean Science & Technology. |
| Indian Languages | : Tamil, Hindi, and Linguistics. |
| Engineering & Technology | : Civil, Structural, Mechanical, Manufacturing, Electrical, Instrumentation, Chemical, Computer Science & Engineering, and Pharmacy. |
| Education | : Education, Life Long Education, Psychology, Physical Education, and Yoga. |
| Fine Arts | : Music. |
| Agriculture | : Agronomy, Entomology, Plant Pathology, Microbiology, Soil Science & Agricultural Chemistry, Agricultural Botany, Genetics & Plant Breeding, Seed Science & Technology, Horticulture, Agricultural Economics, Agri. Business Management and Agricultural Extension. |
| Medicine | : Physiology, Biochemistry, Pharmacology, Microbiology, Community Medicine, Surgery, Radiology and Physiotherapy. |

1. ELIGIBILITY

The candidates registering for the Ph.D. Programme are required to satisfy any one of the following conditions:

1. Master's Degree with 55% of marks or a minimum of 6.0 OGPA out of 10 or equivalent grade point average for courses in the Faculties of Arts, Education, and Indian Languages and 60% of marks or 6.5 OGPA out of 10 or equivalent grade point average for the Faculties of Science, Engineering & Technology, and Agriculture. In Pharmacy, Pharm.D. and Pharm.D.(Post Baccalaureate). However, for Programmes in the Faculty of Science, 55% in M.Sc., with a First Class in M.Phil. Degree in the concerned

subject or its equivalent grade point average in the relevant discipline of this University or any other University accepted by the Syndicate as equivalent thereto. Preference will be given to those who have passed the NRF/NET/GATE Examinations.

Economics:

A pass in Master's Degree in Economics, Applied Economics, Mathematical Economics, Econometrics, Business Economics, Environmental Economics, Development Studies, Rural Economics, Rural Development, Women Studies, Gender Studies, Business Studies, Disaster Management, Rural Management, Environmental Management with a minimum of Second class securing at least 55% of aggregate marks or in an examination recognised as equivalent thereto.

Sociology:

A pass in Master's Degree in Sociology, Social Work (MSW) with a minimum of Second class securing at least 55% of aggregate marks or in an examination recognised as equivalent thereto.

Population Studies:

The candidate should have secured 55% of marks in Post Graduate Degree in Population Studies or other interdisciplinary Programmes viz. Hospital Administration, Hospital Management, Project Management, Sociology, Economics, Commerce, Management, Psychology, Geography, Statistics, Social Work, Rural Development, Anthropology, Medicine, Nursing, Public Health, Education, and Adult Education.

Commerce:

A pass in Master's degree (M.Com) in Commerce / Accounting & Finance / International Banking / Financial Services / Business Studies / Co-operative Management and International Business / M.Com. Five Year Integrated Programme / M.A. Co-operation / M.A. Corporate Secretaryship / Master of Bank Management / Master of Business Studies / Master of Financial Services / Master of Financial Management and Master of Financial Control with a minimum of Second class securing at least 55% of aggregate marks or in an examination recognised as equivalent thereto.

Rural Management:

A pass in Master's Degree in any field of study with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent there to.

Philosophy:

A pass in Master's Degree from M.A.(History, Political Science, Sociology), M.S.W.(Master of Social Work) and any other Master's Degree relevant to the field of Philosophy & Religion with a minimum of Second class securing at least 55% of the aggregate marks or in an examination recognised as equivalent thereto.

Herbal Science:

Candidates registering for Ph.D. Programme are required to secure a minimum of 60% in M.Sc. or 55% marks in M.Sc. with a first class in M.Phil degree in Herbal Science/Botany/Pharmacy/Agriculture/Chemistry/Biochemistry or in an examination recognised as equivalent thereto.

Plant Biology and Plant Biotechnology:

Candidates registering for Ph.D. Programme are required to secure a minimum of 60% in M.Sc. or 55% marks in M.Sc. with a first class in M.Phil degree in Plant Biology and Plant Biotechnology, Botany, Plant Sciences, Biotechnology, Molecular Biology, Microbiology, Biochemistry, Genetics and Pharmacology or in an examination recognised as equivalent thereto.

Bioinformatics:

A pass in Master's Degree in Bioinformatics with a minimum of 60% securing in M.Sc. or 55% marks in M.Sc. with a first class in M.Phil. degree or in an examination recognised as equivalent thereto.

Marine Biotechnology:

A pass in Master's Degree in Marine Biotechnology, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Human Genetics, Applied Genetics, Molecular Biology, Microbiology, Industrial Microbiology, Agriculture Microbiology, Pharmacology and Chemistry with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

Marine Microbiology:

A pass in Master's Degree in Marine Microbiology, Marine Biotechnology, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Microbiology, Industrial Microbiology, Agriculture Microbiology with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

Marine Food Technology:

A pass in Master's Degree in Botany, Zoology, Aquaculture, Biochemistry, Biotechnology, Microbiology, Fishery Science, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

Marine Biology & Oceanography:

A pass in Master's Degree in Marine Biology & Oceanography, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Human Genetics, Applied Genetics, Molecular Biology, Microbiology, Industrial Microbiology, Agriculture Microbiology, and Pharmacology with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

Coastal Aquaculture:

A pass in Master's Degree in Coastal Aquaculture, Biotechnology, Zoology, Botany, Animal Science & Biotechnology, Plant Science & Biotechnology, Biochemistry, Human Genetics, Applied Genetics, Molecular Biology, Microbiology, Industrial Microbiology, Agriculture Microbiology, and Pharmacology with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

Ocean Science & Technology:

A pass in Master's Degree in Ocean Science & Technology, Geology, Applied Geology, Geoinformatics, Environmental Sciences, Environmental Engineering, Mathematics, Physics, M.E. Energy Engineering and Management, M.E. Disaster Management and Engineering, M.E./M.Tech. Remote Sensing & GIS, and M.Tech. Coastal Management with a minimum of second class securing 55% of the aggregate marks or in an examination recognized as equivalent thereto.

Geology / Applied Geology:

A pass in Master's Degree in Geology / Applied Geology / Marine Geology / Geo-Physics / Geo-Chemistry with a minimum of 60% in M.Sc. or 55% marks in M.Sc. with a first class in M.Phil. degree or in an examination recognised as equivalent thereto.

Geoinformatics:

A pass in Master's Degree in Geoinformatics/ Geology / Applied Geology / Marine Geology / Geo-Physics / Geo-Chemistry with a minimum of 60% in M.Sc. or 55% marks in M.Sc. with a first class in M.Phil. degree or in an examination recognised as equivalent thereto.

Biochemistry:

A pass in Master's Degree in Biochemistry/ Life Sciences / Molecular Biology / Nutrition and Diabetics (equivalent thereto) / Biochemical Technology / Genomics with a minimum of 60% in M.Sc. or 55% marks in M.Sc. with a first class in M.Phil. degree or in an examination recognised as equivalent thereto.

Biotechnology:

A pass in M.Sc./M.Tech. Degree in Biotechnology (Industrial, Plant, Animal, Nano, Medical, Environmental and Microbiology) / Molecular Biology / Biochemistry / Microbiology / Genetics (Plant, Animal, Human and Biomedical Genetics) / Life Sciences / Biomedical Technology / Genomics with a minimum of 60% in M.Sc. or 55% marks in M.Sc. with a first class in M.Phil degree or in an examination recognised as equivalent thereto.

Linguistics:

- a. The candidate should have passed the M.A. Programme [any language or literature] / P.G. Degree in Computer Science / P.G. Degree in Speech Hearing Audiology / P.G. Degree in Speech Pathology / P.G. Degree in Medicine / P.G. Degree in Engineering & Technology [Computer & IT related] and complete his/her Master's Degree in Linguistics or M.A. Translation Studies (through DDE) or Diploma in Linguistics or P.G. Diploma in Natural Language Processing before submitting the dissertation.
- b. The students after completion of the Ph.D. Degree will be awarded as Ph.D. in Linguistics [Interdisciplinary].
- c. The guide for the students of Ph.D. in Linguistics will be in Linguistics and the Co-guide will be from the relevant major Programme.

Education:

A pass in Master's Degree in Education (M.Ed. / M.A. Education) with 55% of marks or its equivalent grade point average in this University or any other University accepted by the Syndicate as equivalent thereto. Preference will be given those who have passed the NRF/Net/SET or any other National Level Eligibility Test Examination.

Discipline:

1. On-Campus – Full-time / Part-time
2. External(India) Registration
3. External (Overseas) Registration

External (India) Registration:

The candidate should be working on regular basis as Assistant Professor, Associate Professor, Professor in a recognized College of Education, Department of Education and National/State Level Educational Research Institute where facilities for carrying out the research work are available.

External (Overseas) Registration:

Regulations same as above for eligibility in addition to the following:

During the period of the Programme, a minimum compulsory period of three months of residence will have to be put in by the candidates, including those who have qualified for the M.Phil. Degree. - 7) Full time teachers working in the various Departments of the Muthiah Polytechnic are permitted to register for Ph.D. degree programme in this University as Part-time candidates.
- 8) The in-service Faculty Members working as Assistant Professor cum Liaison Officer in various Study Centres who have registered for Ph.D. Programme under Part-time have to work in their parent department for a period of minimum one year so that they will be eligible to submit the thesis.

2. REGISTRATION

A candidate who wishes to undertake Ph.D. research of this University either full time or part time registration should apply in the prescribed form on or before the due date. The candidates of this University should route their application through the Head of the Department of the Faculty.

The application must be completely filled in all respects. The applicants for interdisciplinary research should have a co-guide from the relevant discipline in addition to a guide in the main subject.

3. EXTERNAL REGISTRATION

[Limited candidates will be considered for registration. The University has reserved full rights for the selection]

Eligibility: Same as for regular candidates. In addition to that, the following are the additional conditions for registration for a Ph.D. Programme.

1. The candidate must register under a guide who is a member of the Faculty of this University.
2. The candidate should be working as Lecturer / Reader / Professor on permanent basis in a recognized college where facilities for carrying out research work are available and have post graduate departments for Science, Marine Sciences, Engineering, Medical and Agriculture subjects or under graduate departments of Arts subjects, or working as research assistants in private or government Institutions having research and development facilities, or librarians working in Colleges/University or Physical Director working in Colleges/University and who fulfil the eligibility conditions.

3. However, such college / research Institutes should be recognized by Annamalai University for this purpose. The Colleges / Research Institute / Organization should apply for recognition to the University in the prescribed format with recognition fee of ` 30,000/- (with in Tamil Nadu) and Rs. 50,000 for other than Tamil Nadu and Srilankan Students in the relevant subject or Department from which they wish to depute candidates for the Ph.D. Programme. The recognition period is limited to three years. At the discretion of the Vice-Chancellor, a Committee may be appointed to visit the College/Institution to inspect the infrastructure facilities available for pursuing Ph.D. research. Based on the recommendations of the Committee, the University may give admission to the candidate sponsored by the Institution.
4. The candidate should have a recognized co-guide in the parent department of the organization. The Co-guides may also be from other colleges located from the same town if such persons are not available in the parental organization.
5. Other regulations relating to Ph.D. Programme in this University shall be applicable to these candidates also, except the clause relating to the period of residence.
6. **During the period of the programme, a minimum compulsory period of six months of residence will have to be put in by the candidates, including those who have qualified for the M.Phil. degree. This period of attendance may be at a stretch or on several occasions including weekends.** The time schedule for the students will be prepared by the guide, endorsed by the head of the department, and the Dean, will be sent to the Registrar periodically for follow up action. However, they should put in a period of atleast two months in a year.
7. **i) NOC (No Objection Certificate) is to be produced from the employer of the Institution/Organisation where he/she is working and attached along with the application.**
ii) Co-guide acceptance letter should be in the same discipline and enclosed along with the application form.

4. SELECTION PROCEDURE

Applications which fulfils the above conditions (mentioned in the Prospectus) will be scrutinized by a Doctoral Committee consisting of the proposed guide, the Head of the Department and two or three senior staff members (not more than five). The candidate will have to appear for a written test and an interview (75 marks + 25 marks). The marks and the evaluation report will be placed before the Vice-Chancellor who in consultation with the Dean of the Faculty and Head of the Department will select and admit the applicant to work under the guide proposed.

5. DOCTORAL COMMITTEE

It will be composed of the HOD, two/three senior faculty members and the guide. The total number will not exceed five.

- a. The research work of each candidate will be reviewed by the Committee every six months – in January and July. The candidate will have to present details of the work carried out by him/her with the review Committee and the same will have to be endorsed by the guide before the Committee. In case of fresh Ph.D. scholars the candidate will have to appear before the review Committee at the end of the first year.
- b. These review meetings are compulsory for all full time, part time and external candidates. The comments of the Doctoral Committee should be forwarded by the last week of January and last week of July to the Controller of Examinations through the Dean.
- c. In case, the scholar fails to submit his/her report before the review committee he/she will be given another chance. The maximum additional chances will not be more than two. Beyond this period the candidate's registration will be temporarily cancelled and it can be reconsidered only by the Vice-Chancellor.

6. COURSE WORK FOR NON- M.Phil. CANDIDATES

The research scholars who do not possess M.Phil. degree shall undergo the core courses prescribed by the guide and take the Part-I Methodology Examinations in two papers at the end of the first year of registration. Scholars who opted for interdisciplinary topic will take an additional paper under Part-I examination on a relevant topic prescribed by the guide. Methodology examinations should be completed within a maximum period of two years from the date of registration.

If a candidate fails in any paper, he/she can repeat the examinations on two more occasions only. If the candidate fails in the third appearance, the registration shall be cancelled.

Only after successful completion of the Methodology examinations, the scholar will be eligible to submit the thesis after a minimum period of two years from the date of passing the methodology examination.

7. DURATION

The minimum period of residence required before submission of the thesis is three years for Master's degree holders and two years for M.Phil. Degree holders. The candidate should complete his/her thesis work within a period of five years from the date of registration.

8. CHANGE OF GUIDE AND TOPIC

A change in guide will be permitted under the following condition.

- a. The Student/Guide should give a valid reason for a change.

- b. The Vice-Chancellor will constitute the committee to go into his/her request.
- c. When the change of Guide is approved the candidate has to work for a minimum of two years with the new guide provided he/she should fulfil the attendance requirements.

The research scholars will be permitted to continue to work and submit their thesis under the guidance of a retired person only upto a maximum period of six months from the date of retirement of the guide. On such occasions, the Head of the Department concerned will ascertain the progress of the scholar in consultation with the guide and find out whether the scholar will be able to submit his/her thesis within six months from the date of retirement of his/her guide. If not, the Head of the Department will suggest the change of guide for the scholar in consultation with the guide (about-to-retire) through the concerned Dean.

Candidates shall select and furnish the research topic within the period of two years for Laboratory oriented research and 18 months for non-laboratory oriented research from the date of registration. Whenever, a scholar seeks permission for change of topic after the period mentioned above, he/she is permitted to submit the thesis only after three years from the date of approval of such change of topic for Master's degree holders and two years for M.Phil. degree holders and those who have completed Part-I methodology examination.

9. SUBMISSION AND EVALUATION OF THESIS

A minimum of one paper relevant to the topic of the thesis in each of National/International Journals be published before submission of the Ph.D. thesis and the copies of the same be enclosed in the thesis by all research scholars. After completing the minimum, required period of research, and the candidate will submit five copies of his/her thesis printed or typewritten, embodying the results of the research carried out by him/her, together with the submission fee as prescribed by the University. Three months before the submission of the thesis, he/she has to submit three copies of the synopsis of the thesis to the Controller of Examinations with the prescribed fee.

The Doctoral thesis in the field of Tamil, History, and Fine Arts can be submitted in the Tamil Languages also.

In case the candidate fails to submit the thesis (after submission of the synopsis) within the stipulated time, he/she has to resubmit the synopsis with a condonation fee as prescribed by the University. Every candidate should also submit with the thesis a certificate from the Guide/Co-guide under whom the candidate worked, specifying that the thesis submitted is a record of research work done by the candidate during the period of study under him/her, and that the thesis has not previously formed the basis for the award of any Degree, Diploma, Associateship, Fellowship or similar title. A statement from the guide indicating the extent to which the thesis represents independent work on the part of the candidate

should also be made. A candidate shall also attach to his/her thesis, in support of the quality of his/her research work, printed copies of any contributions he/she might have published in journals/ periodicals along with names of such journals and periodicals.

10. VALUATION OF THESIS

For the constitution of the Board of Examiners (Evaluation), the guide will suggest a panel of five foreign examiners and five Indian Examiners (External), which will be forwarded by the Head of the Department concerned.

The Ph.D. thesis will be evaluated by a board of two examiners chosen from the panel given by the guide. Of the two, one will be from within the country and the other will be from a foreign country. The two examiners will send thesis evaluation reports directly to the Controller of Examinations. The Controller of Examinations on receipt of the reports from the two examiners, will send them to the concerned guide who is the convener of the evaluation Board. The guide will send the consolidated report with his remarks to the Controller of Examinations.

On the satisfactory reports of the evaluation, Viva-voce Examination will be arranged. The Viva-Voce Board shall comprise the guide (Convener), one external examiner who valued the thesis, and the Head of the Department. If the Head of the Department happens to be the guide, the Dean of the faculty will nominate a senior member of the staff of the concerned Department in the place of the Head of the Department.

11. REVISION AND RESUBMISSION OF THESIS

If an examiner recommends change/further work, the thesis will be referred to the same examiner after compliance for his opinion. In case of rejection by Foreign/Indian examiner, the thesis will be sent to another Foreign/Indian examiner and his/her recommendation will be final.

If the thesis is recommended to be revised by one or both the examiners the, points of revision will be indicated clearly in the report. The necessary correction should be carried out, and the revised version should be sent to the concerned examiner(s). If the examiner(s) is/are still not satisfied with the revised version, the thesis will be rejected. If the thesis is accepted by the Board of Examiners (Evaluation) a public viva-voce examination will be conducted by the viva-voce Board.

A candidate who is not successful at the viva-voce examination will be permitted to undergo the viva-voce examination again within a period of three months.

12. EXTENSION OF TIME

Scholars who do not submit the thesis within the stipulated period of five years should apply for extension of time three months before the completion of five years. Extension of time and the fees to be paid will be considered by the Deans Committee, if the extension is duly recommended by the guide, Head of the Department, and the Dean of the Faculty. Such candidates will be eligible for extension of time for a maximum period of three years.

- a) The Scholar will have to enroll as a fresh candidate if he/she fails to submit the thesis within the maximum extension period of three years when granted.
- b) If a scholar requires a few more months after the expiry of the maximum extension period of three years for the submission of the thesis as per the evaluation of the guide, duly recommended by the head of the department and the Dean of the Faculty, as an exceptional case, the Deans Committee may consider for re-registration to enable the scholar to submit the thesis. In any case, the time granted shall not exceed six/twelve months.

13. NUMBER OF CHANCES

A candidate will not be permitted to submit a thesis for the degree on more than two occasions. However, it will be open to the syndicate, if the Board of Examiners so recommend, to permit the candidate to submit a thesis on a third occasion. Also, he will not be permitted to appear for the viva-voce examination on more than two occasions.

14. PUBLICATION OF THE THESIS

The thesis, whether approved or not, should not be published without the permission of the Syndicate, which may grant permission for the publication under such conditions as it may impose.

15. ADMISSION TO FOREIGN STUDENTS

Students who are selected under various scholarship schemes, either by the Ministry of Education and Culture or the Ministry of External Affairs, will be given admission on the recommendations/sponsorship of the respective Ministry. Self supporting foreign students seeking admission should possess a **Research VISA** issued by the Indian Embassies abroad and produce a No Objection Certificate from the Ministry of Education, Government of India, after clearance from the Ministry of External Affairs.

16. GENERAL INSTRUCTIONS – COMMON TO ALL PROGRAMMES

- i. Originals of marks-lists or other certificates should not be sent along with the application. Only attested copies of documents need be sent.

Original certificates submitted at the time of admission are not returnable till the students complete the programme. Before the certificates are surrendered for admission, the candidates are advised to have with them attested copies of mark-list or other certificates that may be required for applying for scholarship etc.

- ii. Late applications and applications which are not in the prescribed form or which are not correctly filled in or in respect of which the prescribed certificates and documents are not received on or before the due date and applications which do not otherwise fulfil the terms of the instructions, will be considered defective and are liable for rejection. The University will not be responsible for

any postal or other kinds of delay for the receipt of applications after the due date.

- iii. In case of candidates who wish to withdraw from the Programme at the same year of admission who have NOT attended any of the classes and whose seats have been subsequently filled up, service charges for refund of tuition fee and return of original certificates except the Transfer/Migration certificate will be collected @ ` 1,000/-.
- iv. Students who have joined a programme and wish to discontinue need not pay the tuition fees for the subsequent years, but should have paid the fees in full up to the year of study.
- v. No certificate will be issued unless the candidate has cleared all the arrears of fees etc., due to the University.
- vi. With regard to any dispute arising in relation to admissions, examinations, remittance of fees etc., the place of jurisdiction for the purpose of filing a suit or preferring a complaint or taking any legal proceedings against Annamalai University, will be Chidambaram Town only and not any other place.

CODE OF CONDUCT

The following code of conduct shall be observed by the students who are admitted.

- i. The students should conduct themselves in an exemplary manner so as to be a model for other students.
- ii. All students will have to strictly adhere to the rules and regulations of the college.
- iii. If any student is involved in ragging or any other anti social activities. He/she will be expelled and criminal proceedings may be launched against him/her.
- iv. The students should be present during all working hours and sincerely apply themselves to studies.
- v. The students should attend the classes regularly and punctually. A minimum attendance of 80% in each subject is required to be eligible to appear for the University examinations.
- vi. The campus is “Smoke Free” and “Liquor Free”. Deviants will face dismissal from the programme.
- vii. The students are forbidden from using powered 2 wheelers inside the campus. (A joint undertaking letter from the students and parent should be submitted at the time of admission).
- viii. Using mobile phones inside the faculty premises is prohibited.

Scholarships Sanctioned by UGC

- i. UGC Rajiv Gandhi National Fellowship (RGNFS) for SC/ST for doing research leading to the award of M.Phil./Ph.D.

- ii. UGC Research Fellowship in Sciences for meritorious students in the various Faculties (Applicable to all Department of Sciences, Bio Sciences, Agricultural Sciences, Engineering Sciences).
- iii. UGC – Post Doctoral Fellowship for SC/ST candidates Research Associateship (RA).
- iv. DST Inspire Programme – Ministry of Science & Technology, New Delhi (Ph.D. Scholars)
- v. Indian Council of Historical Research (ICHR) – (History Ph.D. Scholars)
- vi. Central Institute of Classical Tamil, Chennai (CICT) – (Tamil and Linguistics Ph.D. Scholars)
- vii. Post Metric Scholarship will be awarded to the students studying self finance courses belonging to SC/ST community and also converted students whose parents/guardians annual income from all sources does not exceed ` 2,00,000/- p.a. for SC students and Rs.1,45,000/- p.a. for ST students.

Note: The Advertisement will be published in all leading news papers and also guidelines available on UGC Website www.ugc.ac.in in the month of August first week every year.

Endowments

- 1) Annamalai University Physics Ph.D. awardees Endowment.
- 2) The Prof. R.V. Seshaiya Prize for Best Ph.D. thesis in Marine Biology.
- 3) The Registrar Vishvanathan Iyer Prize for Best Ph.D. thesis in Manufacturing Engineering.
- 4) The Physical Education Alumni Prize in the name of Dr. Sivasankaran, Former Professor of Physical Education for best thesis in Physical Education.

University Research Studentship

The University Research Studentship is awarded for certain Ph.D. Scholars every year based on the seniority, research progress work, conduct, and attendance. Those who have been availing/availed the studentship once are not eligible for renewal. Preference will be given to M.Phil. Degree holders.

HOSTEL

Admission to the hostel will be strictly restricted to actual accommodation available and no associate will be allowed.

17. FEE DETAILS

The candidate who is selected for admission should pay the prescribed tuition and other fees every year till the submission of the thesis.

In the case of teachers of this University who pursue the research in addition to their teaching work, the collection of fee will be up to five years.
